Dad deserves the world... so why not give it to him? If you're looking for something extra-special to give the amazing dad of your life, I found some truly fab Father's Day experiences in NYC that's bound to impress:

***Don't miss a beat! Click [HERE](#) to become a BELLA Insider!***

**Foodie Fathers:** Treat dad to a limited-edition box of curated goodies from Foragers Market:

*Stir, Sip and Snack:* The ultimate addition to any bar cart, this box includes a selection of spirits and locally-made snacks (from Foragers Single-Barrel Bourbon to handmade pretzels and mixed nuts from Brooklyn)

*Fire up the Grill:* Includes Brooklyn Delhi Tomato Achaar, True Made Kitchen Ketchup, Filfil No.7 Garlic Hot Sauce and choice of beer or wine

**Ultra-Premium Pours for the Ultra-Premium Dad:** Spoil dad at Del Frisco's Double Eagle Steak House New York with rare pours of America's most exclusive bottles of Armagnac served tableside using the same pipette that's used at Remy Martin's distillery. Along with ultra-premium spirits and stunning views of Radio City and Midtown Manhattan, dads can indulge in hand-cut prime steaks, fresh seafood, mouthwatering side dishes and award-winning wines.

**A Meal Fit for A King:** Treat dad to an evening of indulgence at Del Frisco's Grille New York with an eclectic menu of upscale comfort foods including signature cheesesteak eggrolls, prime cheeseburger, craft beer (dad is sure to love Captain Lawrence's exclusive Grille Pale Ale!) and award-winning yet approachable wines. With a 16 oz. dry-aged prime rib special available for \$46, dads can sit back, relax and take off their ties while enjoying a great meal with the family.

**Papa Pampering:** The Guerlain Spa in the Towers of the Waldorf Astoria New York is offering 20% off Father's Day gift cards of \$300 or more (simply order online and print at home), and an 80-minute Deep Tissue experience with a complimentary paraffin foot treatment and shoe shine for \$330. For those looking to give the gift of a signature scent, on June 15th, the spa will offer complimentary engraving on any \$100 Guerlain Boutique purchase. Father's Day fragrance sets can be purchased at the Guerlain Boutique in the Waldorf Astoria lobby, or by phone, with national shipping available.

**Dad's in Cruise Control:** Treat dad to a sightseeing cruise down the Hudson with sophisticated dining on the glass-enclosed, European-Bateaux New York or lively, high-energy Spirit of New York. Boasting unobstructed views of the Manhattan skyline and complimentary Bloody Marys, mimosas and champagne for all dads on board, both vessels offer a memorable experience – whether it's elegant, prix-fixe dining with a live band and pianist or dancing on the open seas alongside an interactive DJ.

**Picnic for Dad:** New York Hilton Midtown, located only a few blocks from Central Park, recently launched picnic baskets from their gourmet market, Herb N' Kitchen. For \$68, the baskets include items from famed local vendors including Murray's Cheese, two sandwiches, two signature salads, New York cheesecake and a bottle of sustainable wine along with a blanket, plates, and glasses.

**Dad Zen:** The newly launched Sisley Spa at The Carlyle Hotel is extending 20% off gift cards of \$300 or more and a special 80-minute Father's Day Deep Tissue massage with a complimentary paraffin foot treatment for \$330. Other signature spa services for men include:
